

SwiftK12 - PowerSchool Parent Portal Integration

Empower parents and guardians to take control of their contact information once and for all with SwiftK12 -- now fully-integrated with PowerSchool's Parent Portal!

Parents can manage their contact information and communication preferences – alleviating administrators from the laborious task of updating records manually.

FEATURES & BENEFITS

- ✓ Integrated with PowerSchool's Parent Portal
- ✓ **All Changes are Updated in PowerSchool in Real-Time**
- ✓ Improves Deliverability of School Notifications
- ✓ **Parents Can Easily Opt-in and Out by Message Category**
- ✓ Helps Schools Stay Compliant with TCPA Federal Legislation

"Alert Solutions has opened up new communication channels for our district...saving us time while providing us with the most up-to-date contact information."

Joe Duncan
Beecher School District
