

Alert Solutions Awarded REMC \$AVE 2015 Contract for Automated Notification Systems

For Immediate Release

Providence, RI— Alert Solutions, a leading provider of award-winning [school communication technology](#), today announced that the Regional Educational Media Center Association of Michigan (REMC) awarded the company a three-year contract for automated notification systems for schools across Michigan.

The [REMC Statewide \\$AVE Bid Project](#) is a cooperative purchasing program developed to secure large volume bid prices on a variety of educational resources for Michigan schools and other eligible agencies. Vendors are selected based on product knowledge, support, price, and customer satisfaction.

“With such a large customer base in Michigan, we were thrilled to be awarded this contract with \$AVE Bid Project,” said David Baeder, CEO. “Customer satisfaction is crucial to our success, so seeing the award rationale was ‘customer choice’ reaffirmed the improvements we continue to make are being positively received by our clients.”

Alert Solutions’ flagship [education-focused division](#) is committed to providing affordable and effective messaging solutions that meet the specific needs of districts and schools with fully hosted, unlimited emergency and standard messaging via telephone, email, social media and SMS text messaging.

Alert Solutions currently serves more than 1,000 school districts and 2 million students worldwide.

About REMC Association of Michigan

The Regional Educational Media Center (REMC) Association of Michigan is a 501(c)(3) non-profit organization established in 1969. Its members are the 28 local regional educational media centers operated through the intermediate school district structure. REMCs provide programs and services locally and collaborate together through the REMC Association on relevant statewide programs. For more information, visit www.remc.org.
