

Alert Solutions Named a “Reader’s Choice Top Product” by District Administration Readers

District Administration Magazine has named Alert Solutions a Top 100 Product in 2012, 2014 and 2015.

Providence, RI— Alert Solutions, a leading provider of [award-winning school communication technology](#), is excited to announce its Communication Suite for PowerSchool users has been named a District Administration “Readers’ Choice Top 100 Product” for 2015.

Alert Solutions is one of the most fully-featured school notification systems in the education market. Its [PowerSchool Communication Suite](#) streamlines the communication process by utilizing and populating messages with contact information already housed within PowerSchool – eliminating the need for schools to sync or transfer data ever again.

“We are honored to be included in District Administration’s Top Products list again,” stated Dave Baeder, CEO of Alert Solutions. “This achievement recognizes our commitment to providing affordable and effective messaging solutions that meet the specific needs of districts and schools around the world.”

Additional features within Alert Solutions’ Communication Suite includes [Speak Up!](#), an anonymous two-way communication platform for bullying prevention, as well as our [Automated Report Card Module](#) and [PowerTeacher Messaging](#).

The winners were compiled from 2,100-plus nominations from [District Administration](#) readers over the past year. This is the third time in four years Alert Solutions has been awarded the “Reader’s Choice Top 100 Product” for its PowerSchool Communication Suite.

Alert Solutions currently serves more than 1,000 schools and over 2 million students worldwide.
